## Personal Statement

With nearly two decades of experience within the creative industry, which stretches across six different agencies, I have seen the industry change dramatically over the years and have proven to my employers time and time again at how adaptable I am by keeping up with the latest industry trends. Since my first design position, I quickly mastered this discipline and have gone-on to add other skills to my repertoire, including coding, retouching, video editing, and 3D modelling, making me a valuable and highly versatile addition to every agency I have served.

## Technical Expertise

### Development

- HTML
- CSS (SASS, BEM)
- JavaScript (Gulp, React, JQuery, Vanilla)
- Twig
- GIT
- CMS (Wordpress, Umbraco, Perch)
- Responsive design
- HTML email (MailChimp, Campaign Monitor)
- Adobe Creative Suite

### Other

- 3D (Cinema 4D)
- Video editing (Final Cut Pro)
- Animation (After Effects)
- \* Print (InDesign and Quark)

## Career Summary

<b>Personal Interests</b>	<p>I am a keen sports lover and follow most sports but especially football. Football is my real passion and I have followed my team since I was 9 years old having attended many matches during this time.</p> <p>Music would have to be my second passion in life. I am extremely proud of my record collection and enjoy practising my electric guitar and bass guitar whenever I have any spare time.</p>
<b>Qualifications</b>	<p><b>BTEC - Design Communication</b>  <b>North Trafford College</b>  <b>1998-2000</b></p> <p>The course consisted of modules in photography, Mac training, history of art, calligraphy, plus more.</p>
<b>Referees</b>	<p><b>Mike Carey</b>  Managing Director  Media City Advertising  07789 723 563  mike@mediacity-advertising.co.uk</p> <p><b>Sam Yearsley</b>  Creative Director  Aylesworth Fleming  0161 874 7220  syearsley@aylesworth-fleming.co.uk</p> <p><b>Ian McKay</b>  Digital Director  The Foundry Communications  0161 926 8444  ian.mckay@foundrycomms.co.uk</p>
